

Response to Amendment

1. The reply filed on October 1, 2009 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): applicant's traversal is not clear as written. While referring to there being no undue burden on the examiner, applicant's arguments seem to be focused instead on a technical feature (i.e., an evaporator) being shared by the various Groups as presented by the applicant rather than on the restriction requirement among the two species as identified by the examiner in the election/restriction requirement mailed on September 3, 2009. Thus, the applicability of applicant's arguments is unclear because these do not relate to the species requirement as presented by the examiner. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Ljiljana (Lil) V. Ciric whose telephone number is 571-272-4909. The examiner works a flexible schedule, but can normally be reached weekdays between 10:30 a.m. and 6:30 p.m.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Cheryl J. Tyler can be reached on 571-272-4834. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
